## Exhibitor Appointed Contractor (EAC)

An Exhibitor Appointed Contractor (EAC) is a company (other than the official service contractor, listed in the Exhibitor Service manual) that provides any service at Exhibitor's request and needs access to Exhibitor booth during the display, installation and/or dismantling period. It is the exhibitor's sole responsibility to ensure that their EAC form has been completed and submitted. This form is required in order for Pennwell/ HydroVision International event management to allow EAC's access to the event.

- Exhibitor must complete and return the Exhibitor Appointed Contractor Request Form *located in the General Contractors section of the exhibitor manual* for each desired EAC.
- Exhibitors hiring another EAC must still supply its own certificate of liability insurance.
- PennWell/ HydroVision International must have a copy of your certificate of liability insurance prior to setting up your exhibit.
